

# Accessing Novartis Oncology Patient Support With the Service Request Form

The Novartis Oncology Patient Support Program is committed to helping you and your caregivers. We offer tools and support designed specifically to help make getting access to your Novartis medicine(s) easier.

## What Is the Novartis Oncology Service Request Form?

The Service Request Form (SRF) provides your consent to share your information with Novartis Oncology programs and could determine your eligibility for those programs, which may include financial assistance and/or free trials.\*

\*Varies by product; this offering is for approved uses/indications only.

## Submitting the SRF

**Step 1.** Locate the SRF on **Patient.NovartisOncology.com**<sup>†</sup>

<sup>†</sup>Click on Financial Assistance, then navigate to the PANO page using the drop-down menu in the top right corner.

**Step 2.** Fill out and sign online **or** download it to print, complete, sign, and fax to **1-888-891-4924**

The 'Patient Information' section has fields for Name, Date of Birth, Gender, and Address. The 'Prescription Information' section has fields for Prescription Name, Strength, and Dosage.

Print form

If you submit online, you will receive confirmation of submission.

In order for your submission to be complete, your doctor must also submit an SRF. **You should submit your SRF first.** It will later be matched with your doctor's and processed.

Complete the Novartis Oncology SRF today.  
Visit **Patient.NovartisOncology.com**.
